

## 2023 FALL / WINTER INTERNSHIPS

TVLS is currently looking for energetic, passionate, and motivated design students for paid Fall / Winter 2023 Internship opportunities. During this time participants will experience valuable hands-on training while working in a dynamic, collaborative, creative design environment. Experience and / or training in the landscape architecture field are a plus but not required as internships are open to architects, artists and designers across all disciplines and fields.

To apply for these positions please submit a resume, letter of interest, 3-5 references, and portfolio in digital format (maximum of 7 MB and 20 pages, including technical drawing experience) expressing how you would fulfill the key attributes of being a positive, passionate, and dedicated member of our team. Please send all documents to [travis@tvlstudio.com](mailto:travis@tvlstudio.com) with the position title as the headline.
